

Profile Legal Advisor

TAQA Energy B.V. operates on- and offshore installations of oil and gas production and storage in the Netherlands. As a 100% subsidiary of Abu Dhabi National Energy Company (TAQA), an independent water- and power company with the state of Abu Dhabi being its major shareholder, TAQA Energy B.V. together with TAQA's subsidiary company in the United Kingdom, acts as a vehicle for growth in Europe. Future TAQA activities in the Netherlands will be focused on E&P upstream and midstream. Currently, TAQA Energy B.V. and its partners are in the initial project phase of rebuilding the almost depleted Bergermeer gas field into an underground storage facility. TAQA Energy B.V. has a strong ambition to grow the asset base in the Netherlands by developing new fields and actively acquiring additional assets.

TAQA Energy B.V. has offices in Alkmaar and The Hague and offers flexibility in working hours and location.

As a member of a legal team the Legal Advisor's role is to assist the business of TAQA Netherlands in a variety of contractual and legal matters relating to TAQA's business in the Oil and Gas industry in the Netherlands and in the North Sea.

The Legal Advisor will together with colleagues from operations and commercial negotiate and draft agreements for the Dutch oil and gas business of TAQA. Typically these include procurement -, joint venture -, transport and processing – and sales agreements.

In addition the Legal Advisor will advice on the (regulatory) implications of applicable laws like the Mining Act, Gas Act, HSE laws and regulations and the Competition Act. TAQA's legal team in the Netherlands currently consists of five persons.

Roles and Responsibilities

- As a part of a greater legal team assist TAQA in negotiating and drafting agreements for Dutch and North Sea oil and gas business
- Advise on applicable Mining, Health and Safety regulations
- Advise on regulatory aspects of the Energy Sector
- Advise on laws applicable to permitting

Business Qualifications

- A qualified lawyer admitted to practice in the Netherlands and/or England and Wales
- 4 to 6 years experience as a lawyer in private practice or the legal department of an energy company

Skills and Competencies

- Solid experience in contract law including use of English legal formats
- Excellent English drafting skills
- Quick and open minded
- Eye for detail
- Proven interest in Energy and Technology
- Desire and ability to work with colleagues from operations and commercial departments
- Strong interpersonal and communication skills
- Good data management and computer literacy
- Proficiency in English and Dutch language

Other Information

This is a growth position. The successful candidate must have the capability to grow in seniority and responsibility in the TAQA organisation. It is expected that development opportunities outside the Netherlands will arise in the mid term future for a candidate who meets our expectations.
