

Senior Cost Engineer

TAQA Energy B.V. operates on- and offshore installations of oil and gas production and storage in the Netherlands. As a 100% subsidiary of Abu Dhabi National Energy Company (TAQA), an independent water- and power company with the state of Abu Dhabi being its major shareholder, TAQA Energy B.V. together with TAQA's subsidiary company in the United Kingdom, acts as a vehicle for growth in Europe. Future TAQA activities in the Netherlands will be focused on E&P upstream and midstream. Currently, TAQA Energy B.V. and its partners are in the initial project phase of rebuilding the almost depleted Bergermeer gas field into an underground storage facility. TAQA Energy B.V. has a strong ambition to grow the asset base in the Netherlands by developing new fields and actively acquiring additional assets.

TAQA Energy B.V. has offices in Alkmaar and The Hague and offers flexibility in working hours and location.
